*About the ACCNJ Scholarship Foundation...*

*Each year, the Associated Construction Contractors of New Jersey Scholarship Foundation provides scholarship awards to children and grandchildren of members' employees to assist with their higher education needs. This year, the Foundation will offer five \$12,500 scholarship opportunities for eligible high school graduates pursuing undergraduate degrees.*

*In addition, the Foundation offers a \$12,500 John F. Donohoe Scholarship for civil engineering students already enrolled in an accredited civil engineering program.*

# 2021 ACCNJ Foundation Scholarships

## High School Graduates

ACCNJ provides the following scholarships to graduating high school seniors entering an accredited college or university as full-time students, pursuing their undergraduate degrees with a minimum of 12 credits per semester, beginning in September 2021.

The Donald R. Waters Memorial Scholarship (\$12,500)

James R. Prisco Sr. Memorial Scholarship (\$12,500)

Three (3) ACCNJ Foundation Scholarships (\$12,500 each)

Candidates will be evaluated on essay, academic performance, extracurricular activities, community service and overall character. The top five candidates will receive scholarship awards.

## Civil Engineering Students

The John F. Donohoe Scholarship is available to current civil engineering students entering the second, third or fourth year of an accredited civil engineering program beginning in September 2021.
