MONTHLY UPDATE

August 2023

In Case You Missed It

ACCNJ was pleased to participate in Barringer High School's 2nd Annual 3-1-1 Carpentry Fellowship Program Graduation Ceremony.

The program introduces students to a carpentry career through job placement with union contractors and an introduction into the official union apprenticeship program. The 3-1-1 credential program identifies students who exhibit an interest and aptitude in the trades and offers them a route to develop those skills through a real-world setting and classroom instruction.

Congratulations to all graduates for this well-deserved achievement!

ACCNJ congratulates The Albert M. Higley Co. on a successful Trade Partner Appreciation Barbeque.

ACCNJ was pleased to attend the event and is grateful for the generous contribution made to ACCNJ's Scholarship Foundation.
