CLOTH FACE MASKS

Depending on your need, we have located a vendor for reusable (via washing) cloth masks. While these are not N95 nor intended to take the place of N95 for construction tasks for which N95 are specified, they are being used on construction sites to help mitigate the spread of COVID19.

- \$5.25 per mask (does not include tax or shipping)
- Sold in bags of 25 (must order in increments of 25)
- NO Choice of Color (they will be red, white and/or blue)
- Washable/Reusable
- Made in USA
- ~~Ships within 5 days of placing order~~ Currently 2-weeks for shipping

HAND SANITIZER & FACE SHIELDS

AGC of America Partner Cintas is committed to helping the construction industry.

The Cintas AGC Discount Program provides **Uniform & Facility Services Rental and National First Aid & Safety Services** to any location that choose to participate at pricing which reflects Associated General Contractors of America's nationwide buying power. With 10,000 trucks across North America, Cintas has the resources to help keep your business clean and safe with hygiene products, laundered uniform, first aid products, personal protective equipment (PPE), and fire protection services.

Bulk order of Hand Sanitizer and Face Shields are available for AGC's members who participate in this program (supply may be limited).

Ordering Instructions:

- Please visit agc.membersavings.com, fill form and check COVID-PPE box.
 - A representative will reach out to you as soon as possible.
- Questions? Please reach out to Henry Luong-Tran at cintas@membersavings.com
